Class 6

The Week Ahead 11.05.20

Dear Parents and Yr 6 children,

I hope you are all safe and well and enjoying the weather. So many of my tomato seedlings and sunflowers have suddenly grown; and now the last frosts have gone, I can safely transplant them in the garden. Do any of you like gardening?

Many thanks to all the children who are sending work in to be marked. I have received some amazing poems – I loved reading them and it showed that some of you have an aptitude for language. Well done! Mrs Metcalfe has now sent them off to DCAT so we will find out soon who the winners are.

This week you will be revising expanded noun phrases, determiners and stories in English; in **Maths I would like you to revise the fractions for Wk4 [White Rose] and look at Bitesize to reinforce learning.** There are no activity sheets for the fractions this week so I have included a fun activity, 'The Missing Medals' that covers many of the Maths topics taught in Year 6. If you are unsure look at Bitesize or your revision books [or email me]. Home learning this week is below:

Maths Week 4: Fractions: multiplying, dividing and finding amounts

Missing medals' is on the Home Learning School Website

Lesson 1 - Multiply fractions by integers

Looking for the worksheets? Contact your child's school to check if they have a subscription to our worksheets. Alternatively, read more here or get some extra practice from BBC Bitesize.

English: Hamilton Trust www.hamilton-trust.org.uk/blog/learning-home-packs/ Look at **Year 6 Week 7** [we have downloaded these as PDFs on the school web page].

Topic: Lets get creative! So for **topic work** this week, create an animal or plant; make a sculpture out of household or garden materials. Name it and send a photograph or design to my email.

Remember to send me a piece of written work weekly. My email is clee@march.w-sussex.sch.uk

Joke of the Week: Why did Lewis Hamilton have too much cheese?

Ans. Because he won the Grand Brie!! Ha Ha!

Objective: Words ending in -ant, -ance and -ancy
(A group: some high frequency words also)

A	B	C
assistant	observant	assistant
tolerant	tolerant	expectant
performance	disturbance	disappearance
fancy	appearance	acceptance
because	assistant	arrogance
people	vacancy	buoyancy

competition

Choose 16 words for someone to test you on each day. With the words you don't know how to spell yet, think of ways for you to remember them.

Decide which part is the tricky bit. Write out the word and write the tricky part in another colour or capitalize the letters that don't make the sound you think they should, to help you remember.

Another activity is to play hangman using your chosen words

Keep healthy and happy,

Ms Lee
