

The March C.E. Primary School

Class 6

The Week Ahead 06.04.20

Dear Parents and Yr 6 children,

I hope you are all well and safe and in good health. I am still missing you all and I hope you are still working hard and into the routine of working at home. I know it is difficult but if you time yourself for English and Maths lessons; ask Mum or Dad to listen to you read and discuss the book; that will leave you to have some fun activities either between the work or in the afternoon. I have included some fantastic home experiments and investigations you could do from the British Scientific Association and have a PDF included for 'Outdoor' activities. This is to take over the Easter two weeks. All the work is optional but some of you I know will want to revise ready for when you get back to school.

**Joke of the Week:** What is pink and fluffy and flies through the trees?[ Ans at the bottom of the page]

**Maths over 2 weeks:** [www.whiterosemaths.com/homelearning/](http://www.whiterosemaths.com/homelearning/) Look at Week3 - Angles [vertically opposite angles/triangles /quadrilaterals] If you want to revise fractions look at Year 7 week 1 and 2

**English over 2 weeks:** Hamilton Trust [www.hamilton-trust.org.uk/blog/learning-home-packs/](http://www.hamilton-trust.org.uk/blog/learning-home-packs/) Look at Year 6 Days 4/5/6 [we have downloaded these as PDFs on the school web page]

**Science investigations:** [www.stem.org.uk/home-learning/primary](http://www.stem.org.uk/home-learning/primary)

Please continue the 10 in 10s and Rock stars Times table. I have also included the **spellings** for the week. I have attached a PDF on the School web page for the writing / poetry competition ' Friends of Chartres'. Chichester has twinned with Chartres in France for 60 years. Research Chartres and Chichester and start writing. Once you have completed it send it to me and I will select and complete the application form. Aim to get to me by Monday 4<sup>th</sup> May. Use a variety of openers, use interesting vocabulary and make sure it engages the reader. Poetry - can be free form or in any style you wish it to be. The ones selected will be sent to Friends of Chartres.

I look forward to receiving them. I would love to hear from you - you can ask me questions[in school time and week days] write a diary and tell me your news [ just to let you know, I have been scootering around the playground with Mrs Burns and Mr Jackson- I haven't done for at least 80 Years!!]

*David Walliams at 11am each day for 30 days, Carol Vorderman maths daily, Timetables stars account and the competition against Central academy, Joe Wicks PE and dance lessons in the afternoon with Darcy Bushel.*

Ans. A meringue - u - tang
