How do I book?

Scan our QR Codes above to take you straight to our booking site. Alternatively visit our website and find the booking links under our 'Wrap Around Clubs' page. You will need to create an account and fill in all information for your children. This will take a small amount of time but then will not need to be done again in the future. Please ensure you complete all information asked especially medical information and food allergies.

How do I book?

A contract booking is when you commit to attending the same sessions every week for the term. The first term we will do contracts for a half term at a time. For committing to the same session every week you will receive a discounted rate and be invoiced weekly rather than paying in one big payment.

Would you like to attend wrap around club after one of a sports clubs?

Sports Clubs are separate to Wrap Around Club. There is a top up fee if you would like your child to attend a sports club (like football club for example) and then go to wrap around club after. In this event a member of staff will ensure they get to wrap around club safe.

How do I pay?

If you make a contract booking you will be invoiced weekly the Wednesday before the Monday starting the week. An hoc bookings need to be paid when booking to complete booking successfully. You can pay via direct debit, debit card, bank transfer or childcare vouchers. If we do not currently accept your childcare voucher provider please let us know and we will register with them.

If you have any questions please get in contact.

Many Thanks
