29 March 2020

Dear Year 4

I do hope you are enjoying spending time with your family in the sun! Mrs Agostinelli and I are thinking of you all and want you to know how much we are missing your smiley faces!

It would be great to hear about all the exciting things you have been doing with your family, so maybe keep a diary or photos to show us when you do return to school. Are you managing to exercise every day? Are you reading lots of books every day? It is really important during this time that you keep your mind and body healthy.

Here is a poem for you to read and make you smile! I hope you enjoy it! I will send you a different one each week. Maybe you would like to write a poem too!

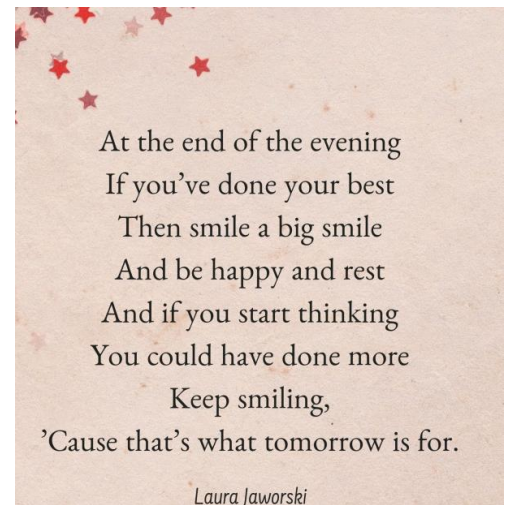

Joke of the week- 😂

What did the left eye say to the right eye?

Between us, something smells!

Weekly Riddle (answer will be posted next week):

What has hands but can never clap?

Please also look out for the home learning this week. This will include the following:

- *Weekly Spellings (You can work on these and then get someone at home to test you on Friday.)
- *A maths activity
- *Reading comprehension

*A writing activity

* A grammar activity

*A topic related activity

Please also remember the daily David Walliams stories here:
