Class 6

The Week Ahead 18.05.20

Dear Parents and Yr 6 children,

I hope you are all safe and well and enjoying the weather.

Many thanks to all the children who are sending work in to be marked. I have received some amazing work – I love reading them and it shows how well you are working at home. We will hear from DCAT soon who the winners are of the poetry competition.

This week you will be revising word classes, adverbials and subordinate clauses; and writing poetry.

Maths Week 4: number operations with decimals I have included **White Rose** videos for each lesson that you will find on the school web page

Choose 16 words for someone to test you on each day. With the words you don't know how to spell yet, think of ways for you to remember them.

Decide which part is the tricky bit. Write out the word and write the tricky part in another colour or capitalize the letters that don't make the sound you think they should, to help you remember.

Another activity is to play hangman using your chosen words

Keep healthy and happy,
