Dear Year 4,

The term is flying by! I hope you are all well and enjoying yourselves out and about and hopefully more so now that you can meet up with some of your friends!

We have been following the assemblies on the Oak academy website and last week looked at this on:

<https://classroom.thenational.academy/assemblies/kindness> with Duchess of Cambridge on the theme of kindness. Do have a look at this and think about how you can spread some kindness at home and when you are out and about.

I have also found this interesting story on the Newsround website here:

<https://www.bbc.co.uk/newsround/53068978>:

It is well worth a read! There are loads of other good stories on there too!

Please see below for the home learning for this week. This is exactly the same as the work we are completing in school.

*Spellings

*A maths activity

*A reading, writing and grammar activity

*A topic activity (See below):

**Place the key events on a timeline and research more about them.
Think about the 5 'W' questions when carrying out your research:

Have fun with your research and good luck!
